Attachment: Statement of CPNI Compliance and Procedures

OTZ Telecommunications, LLC
STATEMENT OF COMPLIANCE and PROCEDURES
For the Year Ending 2017
Form 499 Filer ID: 818710

This accompanying statement explains how the operating procedures of OTZ Telecommunications, LLC ("OTZ Telecommunications" or "the Company") are in compliance with the rules governing CPNI as found in Subpart U - Customer Proprietary Network Information - Part 64 of Title 47 of the Code of Federal Regulations and as referenced within the Company's 2015 Annual CPNI Certification.

OTZ Telecommunications adheres to all CPNI rules as stated in 47 C.F.R. §§ 64.200 I - 64.2011 concerning the proper use of a customer's **CPNI**. Specifically, this statement for use of CPNI meets all the requirements as listed in 47 C.F.R. § 64.2008. To further protect the customer's privacy, all the safeguards required by 47 C.F.R. § 64.2009 have been implemented. This includes:

- The implementation of a system by which the status of a customer's CPNI approval can be clearly established prior to the use of CPNI;
- The training of appropriate personnel as to when they are, and are not, authorized to use CPNI and the documentation of this training;
- The implementation of an express disciplinary process for CPNI violations up to and including termination;
- The maintenance of a record, for at least one year, of the Company's, and the Company's affiliates' sales and marketing campaigns;
- The establishment of a supervisory review process regarding carrier compliance with the federal CPNI rules for outbound marketing situations;
- The establishment of an annual certification by a corporate officer with personal knowledge of the Company's policies and procedures to ensure compliance with the federal CPNI rules; and
- The establishment of procedures for notification to the Federal Communications Commission of any instance where opt-out mechanisms do not work properly to such a degree that consumers' inability to opt-out is more than an anomaly.

OTZ Telecommunications has its updated CPNI Manual available on file at its business office for further detailed explanation of how its procedures ensure that it is in compliance with the rules in Subpart U of Part 64 of Title 47 of the Code of Federal Regulations.
